## Knock on Wood

Does your kitchen's storage space need a facelift? The versatile new **LEIGHTON MAPLE CABINETRY COLLECTION** sports clean lines and lovely raised panels. Plus, the cabinetry is undeniably durable. Pricing begins at \$3,155. [www.armstrong.com](http://www.armstrong.com).

### FABRICATED

Designer Clodagh has partnered with a foremost outdoor fabrics company to bring us **Clodagh for Perennials Outdoor Fabrics**.

The neutral line offers 10 unique designs like Madagascar, a whimsical motif with swimming sea turtles, and the fall-friendly Mancala and Kilimanjaro styles. Plus, all Perennials products are coated with Nano Seal to provide an extra dose of protection against the outdoor elements.

### Pouf, the Magic Chair

The new **Eboli Pouf** may be tiny in size, but it's awfully big in style. The mod chair can be used alone as an accent piece or be paired up with other Poufs to create benchlike seating. Each cubic chair is available with or without backs or arms, with different seat widths and heights, and with visible or invisible legs. \$505-\$1,040.

### NEW SCENTSACTION

Embrace eco-friendliness down to the wick with **PRESTIGE IDENTITY CANDLES** by award-winning designer Marianne Guedin. Nestled in hand-blown recycled glass jars and made of organic wax from Grasse (the French fragrance capital of the world), these chic candles burn evenly for up to 400 hours. Discover dramatic shades and exotic fragrances like almond, jasmine and rare wood. \$68-\$250. [www.prestigeidentity.com](http://www.prestigeidentity.com). —Lydia Martin

### Rubba-Dub

**The Victorian Bath Tub** (\$17,634) by Six Eleven Architectural Bath Design oozes Old World charm and romance with its claw feet and telephone hand-held shower (sold separately). However, this bathing beauty is definitely modern, boasting an eight-jet whirlpool system and /exposed piping. **818.764.5810**.
