

Arizona Foothills

A woman with long blonde hair is the central figure, wearing a long, elegant, floor-length gown with a vibrant floral pattern in shades of purple, pink, and gold. She stands in a studio setting with a dark background and a lighting stand visible to her left. The overall mood is sophisticated and high-fashion.

DESIGNER DIGS

Donna Karan can do no wrong when it comes to designing timeless threads—whether for the body or the home. The bedding in the new **FALL DKNY HOME COLLECTION** features modern and masculine looks and playful prints (like the pictured Wildflower Field set). www.donnakaranhome.com.

BUBBLY

We love our lighting with a touch of whimsy—and the new **Aqua by Troy Lighting** collection (for both indoors and out) delivers just that. The water-inspired fixtures sport hand-worked wrought iron bubbles and plenty of personality. Prices start at \$252. www.troy-lighting.com.

CLASSY CLOTH

To add a layer of luxe to our homes this fall, we've got our eyes on the rich shades and silky-satin textures of the new **Posh** collection from Perennials Fabrics. Available to the trade. www.perennialsfabrics.com.

SWEET NECTAR

As guests stop by your home this holiday season, greet them with the refreshing scent of the new **Agave Nectar Candle** (\$26). The aroma of agave nectar, ruby red grapefruit, guava and lemon blossom makes for a warm welcome. www.thymes.com.

BREAK THE MOLD

The new **Tribeca Collection**, a line of modern moldings, corbels, textured panels and turned legs, is bound to turn a blah room into a beautiful one. Prices start at \$430, depending on wood and style. www.enkeboll.com.
