Urban Jungle | The latest collection of high performance fabrics from Perennials transforms the urban into the urbane. These 100 percent solution-dyed acrylics are incredibly durable and ready for life indoors or out. Pictured here covering fabulous lounge cushions, are Whatnot in Ceruse, Posh in Deep End, and Posh in Aqua. www.perennialsfabrics.com

Wild Side | A little tiger print can go a long way to taking a space from dull to dramatic. Perennials' fabrics City Kitty tiger print can be used indoors and out. Paired here with Perennials' Hissy Fit fabric in Peacock. www.perennialsfabrics.com

Red Hot | Hancock & Moore's Achieve Ottomans in Segovia Flame will enliven any space. Crafted of natural leather with a glimmering embossed pattern, the ottomans deliver a burst of color. www.hancockandmoore.com

Cocktail Chic

Add a little lounge luxe to your living room or patio with rich jewel tones, sleek textures, and a hint of the exotic.

Sensational Citrine | For a little pop culture, consider adding Jessica Charles' smart and stylish Lexi chair in Tiburon Citrine leather. Handcrafted in North Carolina, this retro chic take on a wingback chair will encourage guests to linger. www.jessicacharles.com ■

Design Diva | The Diva Cocktail Table was designed by Jacques Garcia for modular appeal and versatile options. Crafted from hardwood solids and finished in black lacquer, the table makes a singular statement. The Diva's lower base creates a natural pedestal to display objets d'art or to stack books. Available through the Baker Showroom. www.kohlerinteriors.com
