

SOPHISTICATED LIVING

{Louisville's Finest}

Perennials Fabrics sophisticated line of outdoor textiles becomes even more indulgent with the launch of Parisian-based Diurne for Perennials, an exclusive 100% solution dyed acrylic fiber rug collection. Woven by skilled craftsmen in Nepal from solution dyed acrylic fibers that are shipped direct from Perennials own mills, each rug is hand-knotted into modern floor coverings to ground the contemporary outdoor living space. Available exclusively to the trade, interior designers and architects can select specific colors and customize the rugs to fit within the design project perimeters (perennialsfabrics.com).

The Kingswood sectional from Brown Jordan is made with all-weather woven materials that offer a classic look with unrivaled resistance to the elements while a rustproof, powder-coated aluminum frame guarantees strength and durability. Cushions are available for quick ship in a variety of gorgeous Sunbrella fabrics. Available in Cincinnati and Louisville through Merridian (513.583.1234; 502.895.3151; merridian.com) and in Indianapolis from Especially Wicker (317.577.5755).
