## Square Foot Studio

ANN SUTHERLAND, PRESIDENT/DESIGNER

### *Front Porch*

Headed by Ann Sutherland, Square Foot Studio's clients include residential, institutional, office and restaurant projects. Sutherland appreciates and utilizes contemporary products and furnishings in her work and customizes products to reflect the needs of the client. All projects combine the highest of quality to achieve a luxury installation.

With thirty years in the trade as both a product and interior designer, Sutherland is also the President of the successful outdoor textile company, Perennials®. In addition, she holds the title of President of the David Sutherland Showroom entity, with six domestic showrooms. She is active in the industry, participating as a popular guest speaker, panelist and advisor for numerous design industry events.

Ann Sutherland's Resource List is located on Page 45

of the pool, offering a focal point at the center of the space. We hope we have created an authentic natural environment for the owners, their family and visitors alike, as we want everyone to be enraptured by the outdoor spaces. We are incorporating an elegant Bocce Court, outdoor fireplace, a pool shelter, indoor/outdoor rooms, and an outdoor grill to add the livability factor to the design.

"A true collaboration with talent and experience on our side, the Owners, Joanie and Dennis Franz, the General Contractor Phil Pennestri from Pennco Properties and his team, the Landscape Contractor Mike Cicileo and his crew as well as the irrigation equipment supplier, Bob Kingston of All Around Landscape Supply, have been invaluable to realizing in a successful way the outcome of the landscaping process.
