The
Design
Issue

The Great Outdoors
Pavilion chaises invite lounging beside the pool (above). Indoor/outdoor living continues in the screened porch (right), which is furnished with Kingsley Bate furniture, pillows covered in a *Perennials* fabric and an HB Home outdoor rug. See Resources.

Kitchen Cachet (OPPOSITE PAGE)

Holly Hunt Corona pendants hang above the kitchen island.

The floral arrangements throughout are from Botanica Floral Studio. A. Rudin counter stools wear a Perennials

fabric. Valance is crafted from Christopher Farr Cloth linen from Holland & Sherry. **Rest**

Stop (RIGHT) A Gregorius Pineo hammered-iron bench and a zinc hanging fixture from the

Urban Electric Company add metallic flair to the mudroom.

Surrounded By Beauty (BELOW)

Expansive views and an Alison Berger Glassworks chandelier dominate the great room, where

a Gregorius Pineo table is paired with A. Rudin chairs in a Great Plains fabric from Holly

Hunt. See Resources.
