A 1963 acrylic on canvas by Michael Graves adds a fresh touch in the dining area, which is set near the sculptural floating staircase connecting the home's three levels. Marinello conceived an elegantly minimal dining table in reclaimed wood while the custom armchairs are upholstered in Biscayne fabric from Susan Milk Showroom.

"WE CREATE
BACKDROPS
FOR PEOPLE. WE
WANT THEIR
COLORS, THEIR
CLOTHES AND
THEIR FRIENDS
TO SHINE."

-SUSAN MARINELLO
