SEPT/OCT 2016 | DISPLAY UNTIL 11/30/16

In the family room, a photograph by Jack Spencer accents a wall behind a custom sectional covered in *Perennials* fabric from David Sutherland. The Tibetan rug from J. Boustan Rugs picks up the room's blue tones, while an antique coffee table from Jefferson West adds a casual touch. The draperies and a lounge chair are in a Peter Durham Textiles fabric from Hollywood at Home.
