DESCRIPTION

Introducing Mysteria, a Tibetan knot rug that balances artistry with modern texture. Mysteria is available in two colors: Soapstone and Patina. Crafted with an all-over high-low finishing technique, the design reveals defined block-press inspired lines that create movement, depth, and dimension across the surface. The sculpted texture subtly shifts with light and perspective, giving the rug a refined architectural quality while maintaining the softness and character of a hand-crafted piece.

Hand knotted, 80 knots per square inch.

Perennials 100% solution-dyed acrylic fabrics and rugs are backed by a no-fade warranty valid for five years from the date of purchase.
