DESCRIPTION

Tricot is woven utilizing ropes in both the warp and the weft of the rug. This is the perfect rug for any room that needs grounding in texture. With an appearance similar to sisal rugs, Tricot can be customized to fit any room.

Perennials' Flatwoven artisanal rugs feature exceptional designs, subtle color blending and an unbelievably soft feel. They include binding on the horizontal edges and the selvedges are left visible to show the craftsmanship of each handwoven rug. These rugs are ideal for use indoors or out.
