DESCRIPTION

Padded Cell is a large diamond matelass  with a soft, quilted appearance. This fabric is great for soft furnishings as well as traditional upholstery.

All Perennials 100% solution-dyed acrylic fabrics are backed by an industry-leading no-fade guarantee valid for three years from the date of purchase (with the exceptions of prints, which hold a one-year warranty and Cabana™, which holds a five year warranty).

Perennials' technically superior fabrics are fade resistant, mildew- and mold-resistant, bleach cleanable and easily maintained. Be confident when you select fabrics identified by the Perennials Fiber Mark that you will receive a product that lives up to our name: enduring, constant and fun.
